

E-X-T-R-A-C-T

Morning Meeting of 2 December 1969

25X1 D/ONE described a long Board meeting which dealt with whether to develop a Memorandum to Holders of the latest Estimate on Soviet CBW. He went on to explain that, if such a Memorandum were prepared, about all we would wish to update would be the estimated tonnage of stockpiled CBW. After some discussion the Director noted his view that such a Memorandum is not warranted
